

Congratulations on purchasing the NEW Xotic Robotalk-RI! After much R&D, the Xotic Effects Custom Shop has re-engineered and revitalized the original Robotalk. Now in a compact size, we have improved its unique envelope filter tone and enhanced the arpeggiator with more wonderfully strange and mesmerizing sounds.

1. **INPUT JACK** - Connect instruments. Nominal input -20dBu.
2. **OUTPUT JACK** - Connects to amp.
3. **ON/OFF SWITCH** - Turns on/off the unit. True bypass for no tone loss.
4. **STATUS LED** - The LED lights up when the unit is turned on.
5. **RANGE KNOB** - Controls the sensitivity of envelope filter reacts by the input signal.
6. **DECAY KNOB** - Controls the length of decay time of envelope and the start frequencies.
7. **GAIN KNOB** - Boosts the output signal up to +15dB.
8. **FUNCTION SWITCH** - Switches between Envelope Filter and Random Arpeggiator.
9. **TEMPO LED** - Flashes at the tempo that is determined by the RATE knob.
10. **RATE KNOB** - Controls the tempo of arpeggiator.
11. **FREQ. KNOB** - Controls the center frequency of arpeggiator.
12. **TRIG KNOB** - Controls the intensity of arpeggiator.
13. **DC JACK** - 2.1mm x 5.5mm barrel plug / 9VDC negative center. Use only regulated power supply.

Note: Remove four screws from the bottom plate to access battery.

Warranty Information

This product is warranted against failures due to defective parts or faulty workmanship for a period of 1 year after delivery to the original owner. During this 1 year period, we, XOTIC EFFECTS will make necessary repairs without charge for parts and labor. However, shipping charges to and from the repair location must be paid by the owner.

* This warranty applies only to the original owner and is not transferable.

* This warranty does not cover damage to the product as a result from accident or misuse.

* This warranty will be cancelled at the sole discretion of us if the product has;

1. Any signs of tampering, unauthorized service, or modifications.
2. Any damage resulting from physical abuse or failure to follow operating warning.

Please contact us via online form below prior to returning the unit to us for repair.

Note: For international customer, if you purchased the unit from a dealer in your country, please consult with the dealer before returning. You are responsible for all freight charges including custom duties. Also, check with your local Customs Authority and register the merchandise before sending it to the United States for repair. Every country's Customs Authority has a different procedure and documentation for repairs, so it is important that you check before you ship the unit back to us. This is important to avoid unnecessary custom duties.
